Polio Totals Nearly \$5,000 As Card-Gifts Lag

Lemon Grove racked up a rollicking \$4,441.69 in the 1955 March of Dimes to miss the record set in 1954 by about \$500.

There wasn't enough money turned in and credited to Lemon Grove among the downtown employees, Henry Goldy, polio chairman said. Last year, receipts from this source amounted to more than \$1,000, according to the records available. The difference would have made a new record in this year's drive, he pointed out.

Chairman Goldy expressed appreciation for the help given by clubs, groups and organizations, as well as the individual help.

Water District Plans Filtration Plant

A treatment plant to provide the district with filtered water was a matter of discussion between the Irrigation District board and County and State Public Health Department representatives last week.

A plan was formulated which will eventually lead to construction of a filtration plant and a reservoir at Quail Canyon, east of Lakeside, M. J. Shelton, chief engineer of the district said. It would first have to be approved by district voters.

No steps will be taken this year, Shelton pointed out, because a higher priority will be given to additional transmission lines to bring water into the district, and enlargement of Grossmont reservoir.

The district also asked the state to participate in re-establishing Cuyamaca Lake as a fishing lake. This would be done by the state sharing in the cost of keeping water in the lake at sufficient level to make fishing possible. This would be done by replacing 2,000 acre feet in the lake which is now drained into El Capitan to supply the needs of the district. This amount of water costs in excess of \$13,000 annually.

The request has been instituted by irrigation district president R. M. Levy through the State Wild Life Conservation Board.

Some Sort of A LINE

By JACK WOOLSEY

The kind of woman that men toast is often the kind that police grill.

When opportunity knocks for a woman she gets a ring.

A fireman need never worry about a woman getting his job. There would be too much looking over the hose and when up a ladder men would get run ideas.

The driver who insists on his rights may get his last ride.

Many marriages are just one canned thing after another.

Ice is about the only thing that's always what it's cracked up to be.

Some men can never succeed in business because they spend too much time dreaming.

As the big corporations report their profits for last year we understand what is meant by the Haul of Fame.

Christmas cheer was so high during the holidays that many of us just had to grin and bear it.

We just learned that a tuna clipper is a boat and has no reference to the one who sells it in cans.

Gangsters are unpopular because of their gunning little stunts.

We would have a much better world if we could put all our yeggs in one basket.

School District Buys 12 Acres for Elementary Site

Twelve acres of land has been purchased by the Lemon Grove School District as a site for an elementary school. The property on Madera Street, next to the San Altos subdivision, where approximately 600 new homes are planned, was recommended by both the Citizens Committee on School Costs and the Citizens Advisory Committee. The latter approved the purchase at \$3000 an acre following the committee's sub-committee on school sites report.

The land was owned by Tom Kida, local farmer, and the purchase is now in escrow. The board members and school administrators had reviewed the property and also urged its acquisition immediately since it has been considered for subdividing by a prospective buyer.

Growth of the school population in Lemon Grove will necessitate the acquisitions of further sites, and the district is at present considering other land parcels, one of which might serve for an elementary and junior high plant.

GROVE GIRL IS M.C.R.D. VALENTINE

Being crowned the Marine Corps Recruit Depot's "Miss Valentine of 1955" has been both an exciting and memorable experience for an eight year resident of Lemon Grove.

Miss Jo Puri, 21, daughter of Mr. and Mrs. Alston A. Miles, 1719 El Roy Dr., Monterey Heights, was crowned "Miss Valentine of '55" by judges at a MCRD dance recently held at the Mission Beach Ballroom. Jo's recent laurel was acclaimed when she and four other finalists were picked from an audience of 500 girls that were attending the dance. Last year Jo, a graduate of Lemon Grove Junior High and Cathedral High '52, won another Marine crown, that of being titled "Miss Camp Pendleton."

An entertainer for the U.S.O., Jo stands 5'2" and weighs 108 pounds. She has very pretty honey blonde hair and hazel eyes. A downtown insurance firm claims her as an employee but Jo has no immediate plans for the future.

LEMON GROVE CAT GETS NATIONAL FAME

Of all the 15 cats belonging to Mrs. Helen Van Zele, 8302 Golden Ave., Lemon Grove, probably her favorite one is "Kerry-Lu," more formally titled Casa Contenta Ramon. For you see, "Kerry-Lu" is known as the nation's "Best Cat of the Year."

Mrs. Van Zele, wife of Dr. V. Van Zele, recently displayed her famous cat at the Empire Cat Club's 38th Annual Cat Show in New York. Having lived in Lemon Grove for 22 years, the last ten years has seen Mrs. Van Zele very interested in cats as a hobby and their welfare. Mrs. Van Zele gives almost her entire winnings to Mrs. Maude Erwin's Cat Shelter.

"Kerry-Lu" has spent 224 airboat hours, 45,000 miles in distance, which is twice around the world.

Co-owner of Casa Contenta Ramon is Mrs. Joan Arnold of 8268 Golden Ave.

Schools to Shut Down Tuesday For One Day

Schools will be closed throughout the Lemon Grove School District next Tuesday, March 1, when teachers and administrators observe classroom instruction in the districts of the county. Schools to be visited by Lemon Grove personnel include El Cajon, La Mesa, South Bay, and Chula Vista.

This visitation day, which is all-day observation of teaching methods and procedures in county schools, replaces the regular Spring-Day Institute formerly scheduled. Throughout the county teachers are now observing Professional Growth Day in this meaningful way, bringing back to their own schools new ideas for improving classroom work. Lemon Grove this year has hosted teachers from Chula Vista and La Mesa.

Chest officials estimate \$10,562 of the total \$1,340,000 raised in the drive will come back in health, welfare and youth services to the people of Lemon Grove.

B. F. "Sandy" Cogan, budget committee chairman for the Chest, said yesterday, "Our committee of 43 businessmen and civic leaders made its allocations to the various Chest agencies after many weeks of detailed study of the community's needs and each agency's record of service."

Cogan added, "If anyone wants more detailed information on our allocations or, for that matter, our expenditures, our books are open to public inspection at any time."

School Board Protests Loss of Land

The board of trustees of the Lemon Grove School District unanimously passed a resolution at the February meeting opposing the annexation of land from the school district to the San Diego Unified School District and requesting the San Diego County Committee on School District Organization to recommend against such annexation.

The land in question involves two parcels totaling approximately 87 acres on the western boundary of the Lemon Grove district adjacent to the proposed freeway and the Walker-Scott development.

In drawing up the resolution, the board cited the following reasons for the action: (1) continued annexation of school district portions to surrounding school districts makes the problem of intelligent planning for building needs here extremely difficult; (2) the two parcels being proposed for annexation to the San Diego Unified School District are potentially valuable for commercial development; (3) the loss of non-residential property places an added burden on the remaining property for support of the schools; and (4) the proposed annexation should be opposed for the same reasons that annexation of the Western Salt Works (Chula Vista) was opposed by the organization committee.

The local board was asked to take some action by this committee which is now studying the suggested move of this property into the city school district. The resolution states clearly that the Lemon Grove board feels such action would be only detrimental to educational interests here.

Men's Club to Look at its By-Laws Friday

The Lemon Grove Men's Club will face a decision when it meets Friday.

A motion is before the group, one that has been seconded, that a change in the club's by-laws be made.

Ernest Newton, operator of the Lemon Grove Stationers Co., offered a motion that "This club actively support any project which the club feels is for the betterment of the community and its business. This is to be done by a simple majority of the members present on any day."

Men's Club president Bert Betts asked that the discussion and

RED CROSS TO START FUND DRIVE NEXT WEEK

The San Diego County Chapter of the American Red Cross will begin its annual fund campaign on March 1 throughout every community in the county. At the same time it presented this record of its performance during the past year as an index to what it might be expected to do in the 12 months ahead:

More than 25,000 San Diego County families turned to the Red Cross last year for some kind of help. Almost 3,500 of these families received a total of \$125,258 in direct financial aid. Those who were able reimbursed the Red Cross with a total of \$66,519 so that it might extend help to others.

Mr. Arthur Thomas, fund campaign chairman for the Red Cross drive in Lemon Grove, said "No major disaster struck San Diego County last year, but the Red Cross was ready at all times to meet any emergency request on an instant's notice. Had a fire or earthquake struck Lemon Grove we would have found that through the Red Cross the resources of the nation stood ready to give us a hand."

Mr. Thomas added that last year's volume of Red Cross service in the county will be expanded in the year ahead.

The San Diego County Red Cross budget, he pointed out, calls for \$1,111,744 but the total campaign quota for the county-wide fund drive is only \$450,555. "The balance," said Thomas, "will come from other Red Cross chapters throughout the nation as their share of the service rendered to the armed forces here. That means that your gift will be more than matched by someone across the nation. But through your gift you will also extend a helping hand to those in need thousands of miles away."

Anderson, have chosen for the table decorations attractive cutouts of musical instruments silhouetted against a background of floral spring blossoms to accentuate the music theme.

Mrs. Eugene Lyle, publicity chairman, HO 6-8741.

The Dimmer View

By MAX GOODWIN

Fund raising campaigns for worthy causes are as much a way of American life as your constitutional rights . . . the latter of which permits you not to contribute, if that should be your bet. Whether or not there are too many drives in succession, or not, is a matter of personal opinion. In every case the beneficiaries have a very real need, and I support them all, in so far as I am able.

I have taken part, to some degree, so far this year in past and current events which include the Success Drive, March of Dimes, Multiple Sclerosis, Boy Scouts, Girl Scout Cookies and Red Cross . . . and the year not yet two months old.

The saddest affair, I think, was the Boy Scouts Sustaining Membership Drive which was held Saturday morning. Tables were set for 150. Eleven persons showed up. These 11 persons spent all of their Saturday and a lot of effort, as you can imagine, doing the job assigned to them.

The Boy Scout people followed this event up with a brave little letter of personal thanks. It told that the Lemon Grove campaign had developed 31 sustaining memberships and a total of \$457.50 was raised. This, of course, was pitifully poor.

In my own instance, the reaction to my requests were mostly "How many more drives are YOU people going to put on?"

I wish I could say none—but these are not the facts of life. There are more drives coming up, at least one every month . . . and it is always a small group which will give up time and energy for them, without pay, and in many cases, without thanks.

As a matter of fact, in the case of the Scout drive, the 11 persons who gave their full Saturday to making calls on the local contributors, contributed more than 50% of the total themselves!

Zung Made President Of Rotary

Meyer Zung was elected president of the Lemon Grove Rotary Club for the 1955-56 year. Dr. Harry Sorterberg was elected vice president. Other officers include Andy Benson, secretary, William Zilker, treasurer and Roy Lane and Charlie Serr, directors.

MRS. PAPAGNI RECOVERING FROM FALL

Mrs. Tom Papagni, wife of the operator of Lemon Grove's Western Auto Store, suffered a Valentine's Day injury which hospitalized her.

Visiting her daughter at 6883 Marlowe Dr., she fell as she was walking up the driveway, wrenching her back and injuring the back of her head. She was unconscious for 24 hours at Hillside Hospital on El Cajon Blvd. She is recovering at home.

Heartland Players Are Guests of Drury Lane Group

Lemon Grove's Heartland Players were guests of the Drury Lane Players of La Jolla Sunday night.

They were guests also at the Drury Lane production of a rollicking, fast moving comedy "The Hasty Heart."

Emily Jordan, Sam, Bette and Bill Baxter were the localities to attend the event and stayed to enjoy "between the acts" coffee.

"Take Your Medicine" will be the next production of the Heartland Players. It will be staged in mid-March.

A. A. OF U. W. TO HEAR D. A. PHILLIPS

Annual guest night for the American Association of University Women will be held Friday, February 25, at 8 p.m. at the San Diego Woman's Clubhouse. David Atlee Phillips will lecture on "Which Way—Latin America?"

Mr. Phillips is the dynamic, young editor of the South Pacific Mail of Chile, Latin America's oldest English language newspaper. A Texan by birth, David Atlee Phillips sees Spanish-speaking peoples through their eyes as well as our own.

Special guests invited to this lecture include members of the Pan American League and professors of history and political science at California Western University, San Diego College for Women, San Diego Junior College, and San Diego State.

Mmes. Richard H. Applin and John E. Burgeson are in charge of decorations.

PROGRAMS ADDED AT ST. PHILIP'S FOR LENT

During Lent, in addition to its regular program, St. Philip's Episcopal Church will hold Meditations and Evening Prayer each Wednesday evening at 7:30. Everyone is invited to attend and make these services a Lenten observance.

Mr. Arthur Mading has spent much time and effort in cleaning and discing the church property, greatly to its improvement.

The vicar, the Rev. J. Phillip Bartlett, holds Confirmation instruction classes for adults each Thursday evening at 8 o'clock and for children at 4 p.m., Wednesdays, and 10 a.m. on Saturdays.

Reminder: World Day of Prayer, Friday, 10 a.m. till noon, Spring Valley Baptist Church.

FOUNDER'S DAY PROGRAM SET FOR HELIX P-TA

A special candlelighting ceremony, with the Helix Highlander Choir providing the musical program, will be the feature of the Founder's Day meeting of the Helix High Parent-Teacher Association, on February 24, it was announced by Mrs. F. M. Sawyer, Founder's Day chairman.

An honorary life membership will be presented and the two past presidents of the organization, Mrs. Gilbert Durham and Mrs. Glen Crosbie, will be honored during the evening.

La Mesa and Lemon Grove Junior High mothers will act as hostesses.

Stop When School Bus Lights Are Flashing

Flashing red lights on a school bus mean "Stop."

This warning was reiterated today by the California Highway Patrol as they reviewed the record of citations issued during 1954.

"Although speed and driving too fast again led in the number of violations cited, there was an increasing number of drivers who seemed to misunderstand the school bus law," Patrol Commissioner B. R. Caldwell declared. "The law requires a motorist to stop when approaching a stopped school bus with red lights flashing and, to wait until the red lights stop flashing before proceeding."

During 1954 the patrol cited almost 1700 motorists for failing to heed the flashing red lights on stopped school buses, the commissioner continued. "With slightly different circumstances each of these violations could have taken the life of one or more school children."

WORLD DAY OF PRAYER TO BE HELD FEBRUARY 25

The annual observance of the World Day of Prayer, sponsored by the General Department of United Church Women, will be held for the Spring Valley, Lemon Grove, Casa de Oro and La Pressa area in the First Baptist Church of Spring Valley, 8758 Troy St., Spring Valley, on Friday, February 25 at 10 a.m. The program will be carried out by representatives of the churches in the area and is open to all.

For centuries women have prayed individually for peace. Now women pray for peace in a world fellowship encircling the globe through the annual World Day of Prayer. From the time the sun rises above the Tonga Islands on the First Friday in Lent until it sets over Alaska 24 hours later, devout women around the world conduct special services asking for world peace and a better world for themselves and their children. This year marks its 68th anniversary.

Last year the World Day of Prayer was observed in more than 20,000 U. S. communities and in 128 countries around the world. At that time more than 200 radio stations in the U. S. used the special "Prayer for the

WHAT'S DOING

Forrest Dokken, your local telephone manager

New type of voiceway goes to work in rural areas

The telephone cable being put up by this line-man is one of the newest things in the telephone business. It looks like nothing so much as an old-fashioned twist of licorice. But actually it's six pairs of wire coated with a special abrasion-resistant plastic. The new cable was especially designed for use in telephone lines in areas where homes are widely scattered. It's extremely light and easy to work with. And its cost in use is less than other kinds of wire. Savings like this help us keep good telephone service one of the best buys in your family budget. Pacific Telephone works to make your telephone a bigger value every day.

Need tools in a hurry? Here's the place to find them

Seems like 'most everyone's a "do-it-yourself" fan these days. That makes this tip handy to remember: When you need new tools to start one of these jobs, a good place to look is in the Yellow Pages of your telephone book. Fact is, the Yellow Pages show where you can find 'most anything you want. That's because nearly everyone in town with something to sell advertises in them. So next time you need something fast, just turn to the handy Yellow Pages.

When you build or remodel

When you build or remodel, you'll want your home to have the modern features that contribute so much to its livability. And you'll want it as easy to run as possible, too. One of the best ways to take the "run" out of running a house is to have your builder or architect put built in telephone facilities in your plans. They save all those unnecessary steps from the kitchen or bedroom to the living room to answer the phone. And they cost so little. For more information, just call or drop in at your telephone business office. Pacific Telephone.

THE SHOW'S THE THING!

By BOB TURNBULL

"Passion" doesn't quite seem like the right title for the picture "Passion," playing at the Grove Theatre Thursday through Saturday, as it is a historical film concerning the old California pioneers during the Spanish land-grant era of our history. The time is back in the early 1800's. But the names of Yvonne De Carlo and Cornel Wilde, the stars, probably make up for the misleading title.

In those days the Golden State was the stomping ground for terrorists and illegal grabbers of land. The movie was filmed against a background of colorful scenery ranging from the Mexican border, through San Diego and up north as far as the snow-covered mountains near Sonora. The plot is as complicated as actual history can get, as the story is backboned from actual incidents, now considered legendary. The story goes something like this:

Wilde and his ranch helpers, on a dusty cattle drive northward, come across the ranch of his father-in-law that has been burned and the old boy and most of his family (including Wilde's wife) have been killed. With his dead wife's younger sister, (Yvonne), Wilde cruises off the burnt homestead in hot pursuit of the killers, a well-hated gang about town. With the aid of Tonya (Yvonne), Wilde cleverly captures a gang member (Lon Chaney), and at knife point forces a confession. Lon and Cornel engage in battle, Cornel winds up a wanted man as he winds a knife in Lon's ulcerated solar plexus.

The gang's strong-arm lad, Sandro, the actual murderer, makes his bid to flee the scene across the border of the north, but Mr. Bloodhound and his future bride chase their quarry in a mountain pass and the story reaches its ending. What is the ending? Oh, come now, you should have figured by this time only by seeing the movie would you ever know the true finish. No fair asking the neighbors. The co-feature is "The Black Pirates" with Anthony Dexter and Martha Roth sharing the limelight.—B. T.

FUNDS FOR JOHNNY MAISCH TOTAL \$264

By MRS. WALTER SPOONER

We are happy to report that Johnny is progressing satisfactorily from previous surgery. He is now at home waiting to see if a second operation will be necessary.

A sincere thanks to the following people who have contributed so generously to the Johnny Maisch Fund: Theron C. Hall, H. S. Haag, B.P.O.E. Elks Lodge, No. 1812, El Cajon, Harry Griffin, E. A. Moullesseaux, Paul Cheatham, Mabel C. Moore, Mrs. Kelso, Mr. A. Osterberg, Mrs. Rosalie Winkler, and Miss Katherine Winkler.

Mrs. Sarah Maisch wishes to take this opportunity to thank the many good and generous friends who remembered Johnny with cards and gifts. He celebrated his 11th birthday during his confinement at the hospital. A special thank you goes to eight year old Earle Fauchet, for the birthday cake he baked and decorated himself.

Funds donated to date total \$264.00. Anyone wishing to send further contributions, may do so by sending them to the Johnny Maisch Fund, General Delivery, Lemon Grove.

Hospital Auxiliary Work Sailing Along

By MRS. JOHN LANDESCO

Two Lemon Grove area committees of the Grossmont Hospital Women's Auxiliary are off to a flying start, sparked by the recent area meeting at the home of Mrs. Herbert S. Haag, area chairman. These are the sewing and the membership committees—chaired, respectively, by Mrs. S. C. Brumbaugh Jr., 7337 Centra Ave., and Mrs. G. O. Hobbs, 7407 Daytona.

Mrs. Brumbaugh, who is a very active and popular young matron, has been getting considerable sewing done for the hospital, by neighbors, friends, and various cooperating organizations—notably, the Lemon Grove Woman's Club Juniors, of which Mrs. B. is a prominent member. One does not have to be a member of the auxiliary to sew for the hospital. All are needed and welcome. If you can sew, you are in!

Mrs. Hobbs, who is a relative newcomer to the community, has been busily making new contacts and new friends. The auxiliary needs new members—and many of them. There is work for all—and lots of it. And, because it is hard to conceive that any local women would not be interested or would be too busy to help in some way to make the new hospital a success, Mrs. Hobbs' assignment should be a pleasant and successful one. She has already arranged for a speaker from the auxiliary's membership committee to meet with the Ladies' Aid of the Lemon Grove Congregational Church on Friday, March 4, to explain the advantages of membership in the auxiliary and point out the many ways an organization or any of its members can also help. Meetings with other organizations and groups will be announced later.

Woman's Group To Have Hawaiian Theme

The Lemon Grove Woman's Club Garden Section will have a Hawaiian theme at their meeting Friday at 1:30 p.m. Mrs. Ethel Koonce of Spring Valley will show films taken on her trip to Hawaii. She will also tell some of her experiences over there. The committee promises a surprise for everyone.

Mrs. Frank Barber is chairman for the meeting, with Mrs. Alto Lemke and Mrs. L. D. Newton as co-chairmen.

The club will hold a Rummage Sale on March 17 and 18 at the clubhouse.

Full-Time Chief Engineer Named for Grossmont Hospital

Hugh McDaid, 322 Highland, Fletcher Hills, began his duties as full time chief engineer of the Grossmont Hospital District recently and was introduced to members of the board of directors at their last meeting.

McDaid has been dividing his time, on a consultant basis, between the Grossmont Hospital, where he helped with the engineering planning, and the Children's Hospital in San Diego, where he had been for the past eight months. He was chief engineer of the Pioneer's Hospital in Brawley before coming to San Diego.

He will be in charge of plant maintenance, repair and operation of the new hospital. He has charge of all mechanism serving the surgical department, and also is hospital safety engineer.

One of the unique engineering features of the hospital will be the power unit, with which McDaid is quite familiar. The power plant is designed to supply steam on demand, rather than carry a full load 24 hours per day. This will mean a \$12,000 to \$14,000 saving per year in salaries. The plant will operate eight hours per day on high pressure steam, and 16 hours per day on low pressure. This low pressure will be on a stand-by status, using a compressor to convert to high pressure as needed. This avoids the necessity of maintaining two high pressure boilers until such time as the hospital grows to a larger size than the present 100-bed capacity.

SOCIAL SCIENCE SCHOOL STARTS IN GROVE

Lemon Grove is to have a free discussion class for adults in the field of economics, according to announcement, the course to deal with wages, interest, industrial strife, "boom and bust" and related matters. It is sponsored by the Henry George School of Social Science of San Diego, and will be held one evening a week in a room provided in the Golden Avenue School, Lemon Grove. The first session is scheduled for Tuesday at 7:30 p.m., with discussion leaders to be Theodore La Rose of Lemon Grove and Everett J. Seeley of Chula Vista.

Similar classes start the same week in other communities of the greater San Diego area, including Coronado, Imperial Beach and Pacific Beach. Because the course is educational, non-political and free, the Lemon Grove Board of Education has granted use of classroom facilities at a nominal rental. It, however, is an independent class and not part of the local public school system. Folders listing the classes and outlining the courses are available at the Lemon Grove Public Library.

SOCIAL STUDIES UP FOR STUDY BY SCHOOL BOARD

An explanation of the social studies program as it is taught in the intermediate grades of the district will be presented by teachers at the February 28 meeting of the Lemon Grove board of trustees. Wiley Cornelius, fourth grade, John Strawn, fifth grade, and John Gregory, sixth grade, teachers from San Miguel School, will demonstrate materials and procedures used in the social studies field. At the same time they will interpret the meaning of the term "social studies" as it applies to the elementary school curriculum.

Two other items listed for the 7:30 meeting at the Education Center on School Lane include a consideration of action by the board concerning the purchase of the West property as a future school site, and a report by the community recreation program on plans for the coming season.

TEACHER GETS P-TA LIFE AWARD

Harry Butler, eighth grade social studies teacher at the junior high, was the recipient of the annual honorary life membership at the Founders Life meeting of the Lemon Grove School P-TA. In presenting the highest P-TA honor, Mrs. John Mallow stated that Harry Butler, a teacher here for nine years, had done outstanding work for youth in the schools, spending long hours in extra counseling, dancing, instructing, and graduation preparations. He was also cited for his active part in teacher association and P-TA work.

Past presidents of the unit, which was celebrating its 30th birthday, were introduced and honored. Mrs. Walter Denlinger, first president, 1925-26, was present to receive a corsage and join in the evening's square dancing program. Exhibition square dancing by many of the Foothills area clubs entertained, with Ralph Miller of La Mesa calling the dances.

Refreshments for the evening, a birthday cake, coffee, and punch, were served by room representatives of the 7-1, 7-2 and 7-3 classes, with Mmes. Chester Lesko, Robert Bennett, Herbert Richter, Elmer T. Bell, James McFeeley, and Ralph Martin. The 7-2 class won the room count award. Next meeting of the association will be March 17, at which time Dr. William Rust, president of California Western University, will speak on "Education and Citizenship."

TWO BENEFIT DINNERS SCHEDULED BY TRINITY CHURCH

The Trinity Presbyterian Church will have two benefit dinners to raise money to buy an echo organ for the sanctuary. The dinners will be served at Trinity Presbyterian Church, 3902 Kenwood Dr., March 2 and 9, at 6:30 p.m. The choir will cooperate by serving as singing waiters and waitresses, furnishing amusing entertainment for the evening. The public is invited and tickets may be had by calling the church office, HO 6-2912, or Mrs. Betty Whyte, JU 2-6487. Prices are, adults \$1.25 and children under 12, 75 cents.

It is the plan of the church to have every member of the congregation called upon during the Lenten season, for a "Get Better Acquainted" campaign. A large delegation of Trinity "Mariners" expects to attend the district Mariners meeting at First Presbyterian Church, Saturday, February 26, at 6:15 p.m.

Dr. Jones will have as his topic next Sunday morning, "The World Minimum of the Church."

Mrs. Estrada to Be Buried in Mexico

Carmen Estrada, 79, 7611 North Ave., passed away at the home of her daughter, Carmen Bogne, Friday, February 18. Funeral services will be held in Tecate, Mexico. Conrad Mortuary handled the arrangements.

Charlotte L. Bunting (Coshov), 7663 Church St., will wed Johnny Lanbarotti of Ft. Worth, Texas, Sunday, March 6, at the Reorganized Church of Jesus Christ of Latter Day Saints.

Br. Paul Bunting of Lemon Grove will officiate. The bride is the daughter of Mrs. Susan B. Coshov of Lemon Grove. The groom to be is in the Navy.

ELIZABETH MORSE GRANTED B. A. AT POMONA

CLAREMONT—Elizabeth G. Morse, daughter of Mrs. Emily Morse, 8315 Palm St., Lemon Grove, has been granted a bachelor of arts degree by Pomona College, President E. Wilson Lyon announced. She is a member of the February, 1955, graduating class.

An art major, Miss Morse was awarded a Rembrandt Art Club award at the college. She was a member of the orchestra, music club, and art club.

No formal graduation exercises were held. Midyear graduates will be honored in June.

Miss Springer To Marry Cortney Dadisman

Dadisman, 7980 Buena Vista, Lemon Grove. The couple will be married Friday, April 1, at the La Mesa Baptist Church. Reverend Gene Forrester will officiate. Both are graduates of Helix High School.

ADVANCED FIRST AID CLASSES SET FOR GROSSMONT

Instructor for this course will be Stanley Rose.

1925 Letter Cites Same School Problems as Today

Interest of citizens' groups in the purchase of school sites is not of recent origin in Lemon Grove. Although the acquisition of suitable property is more difficult now than 30 years ago because of growth and development, back in 1925, when the present land at School Lane and Lincoln was acquired, the people of the town were concerned with the purchase of land for schools. The following notice to the board of trustees is on file at the Education Center:

Lemon Grove, California
January 20, 1925
To the Members of the School Board of the Lemon Grove School District:

We, the undersigned committee, appointed recently at a public meeting at the club house to make recommendations for a school site, have met and carefully considered all the proposals submitted.

We recommend that the proposed new school be located on that property known as the Live-say Ranch. We have considered the location from the following angles: (1) convenience as regards location, (2) price of land, (3) adaptability of site for school purposes, and (4) sightliness.

Donald Briggs to Head Del Mar Fair

Donald L. Briggs, well-known Carlsbad flower grower, this year will head the 22nd District Agricultural Assn., sponsor of the Southern California Exposition at Del Mar every summer. He was elected to this post at a director's meeting held at Del Mar. Duane Hawkins, Chula Vista, and Harry Frame, Poway, were elected first and second vice-president, respectively. Briggs immediately re-appointed Paul T. Mannen, secretary-manager, and M. E. Salsbery assistant manager and director of floriculture, horticulture and agriculture exhibits. Salsbery will continue to have charge of the San Diego County exhibit which visits seven fairs in California including the State Fair and Exposition at Sacramento and Los Angeles County Fair at Pomona.

Briggs was appointed to the board of directors in 1947. He was elected second vice-president in 1951 and again in '52. He moved up to vice-president the following year. He heads several enterprises including Signal Aircraft Parts Inc., California Birds Inc., Briggs & Godfrey Commission House of Los Angeles, and Briggs Land Corporation.

He is actively in Al Bahr Shrine, Elks Lodge of Ocean-side, San Diego County Flower Growers Assn. and veterans organizations. He succeeded Chaffee C. Young, who did not seek re-election as exposition president.

No change in policies will be made, Briggs said. The Exposition will continue to operate under the "one-pay gate" policy initiated three years ago. Under this setup, there are no paid attractions inside the grounds.

FIRST GRADERS VISIT MILLER'S DAIRY

The first grade at Golden Avenue School visited Miller's Dairy in Monterey Heights in Lemon Grove last Tuesday. Supervised by Mrs. Irene Hacker, teacher, the group enjoyed a tour of the dairy with the owner. This short trip was part of the unit the first graders are working on now to acquaint them with community workers. Accompanying the group were Mrs. Charles Lehton, Paul Tilton, John Dyer, and Eugene Norman, parents of pupils in the class.

Potatoes Hold Sway At MAYFAIR This Week

Mrs. Owen Larson of 6558 Zena Dr. in San Diego is the wife of a business owner. Her husband owns the Pacific Leather Co. on Park Boulevard. Shown shopping with her son Jimmy, 2, she said, "I like Mayfair meats above all others. Naturally, we like the entire plant, but I can't recall having ever bought a meat item at Mayfair that was not completely satisfactory."

Mrs. B. V. Orton, 8155 Helm St. in Lemon Grove, is the wife of a Navy man. She said "I just plain enjoy shopping at Mayfair." She is the mother of a 13 month old son, Randy, and the family larder is replenished week after week at Mayfair.
"I don't recall ever having seen a market which offered a larger variety," Mrs. Orton said. "I just love it."

Mrs. M. D. Burnworth, and one of her sons pictured here, has some very cogent thoughts concerning Mayfair.
"We like it because it is so thoroughly clean appearing. We also like the personnel. They are always helpful and cheerful," she said.
Mr. Burnworth is a metal man with Beck Buick and the family lives at 2439 Encenada.

Here is what we like to consider a typical Mayfair shopping family. Mrs. Jack Gonzales and their four youngsters make regular, happy visits with us.
"Mayfair is a convenient shopping center," says she. With her are Teddy, 9; Johnny, 6; Carol 10, and Jackie 4 months. Her husband is a shoe salesman. They live at 1757 El Roy St.
We greet the Gonzales and their healthy, happy tribe.

This is the week we're determined to glamorize the once lowly Irish Potato...and it's about time somebody did. The Irish Potato is one of the main staffs of life, second to only your loaf of bread.

We bought up some of the best quality White Rose Potatoes produced in California. That means the taste, which makes the White Rose so famous, is superior.

Come to your Mayfair Market this week and buy plentifully of one of the basics of your family meals. We promise that the price tag will add to your enjoyment

GOLDEN AVENUE SCHOOL NEWS

Evelyn Lauritzen, Golden Avenue principal, participated in a panel discussion, "Action Research in Education," at a joint meeting of California administrators and supervisors at the University of California, Los Angeles, February 19. She reported on testing and follow-up teaching in spelling as done in the Lemon Grove School District. Dr. Richard E. Madden of San Diego State College served as chairman of the panel.

On Monday of this week William H. Firth, fifth grade teacher at the school, spoke to intermediate grade teachers of the Oceanside-Libby district, advising them on effective procedures for teaching spelling. The invitation came from Ben Fugate, district superintendent there and president of the county administrator's association, following Firth's similar presentation to members of the board of trustees here.

A classroom postoffice is assisting pupils in Mrs. Ovella Mason's second grade class with their social studies unit. In school they write letters, stamp, sort, and deliver them, and a similar procedure was used in the distribution of valentines. Mrs. R. T. Andrews and Mrs. C. A. Johnson, room representatives, served punch and cookies at the valentine party. A planned trip to the local post office will give the

students further opportunity to study the work of the postman.

Third graders in Mmes. Stowers, McBroom, and Tuthill's classes enjoyed a talk last week by Dick Schwenkmeier of the Natural History Museum. He discussed poisonous and non-poisonous snakes, giving the chil-

dren ideas on what to do when confronted by them. His talk was accompanied by attractive slides.

The time will come, and soon I hope, when Brotherhood Week will be a reminder, not of the presence of discrimination in our midst, but of its eradication. —Bernard Baruch
